Re: Application of Utilities Services of South Carolina, Incorporated ("USSC") for Adjustment of Rates and Charges and Modifications to Certain Terms and Conditions for the Provision of Water and Sewer Service  
**DOCKET NO. 2007-286-WS**

Dear Ms. Boyd,

The South Carolina Office of Regulatory Staff ("ORS") has reviewed USSC's filing dated September 16, 2011, and determined that the amounts referenced in Remand Exhibits SML A-1 through A-4 are consistent with ORS's audit findings put forth in testimony to the Commission. Additionally, ORS does not contest the information contained in Remand Exhibits SML B or C.

In light of the above, ORS does not plan to file testimony or cross-examine the Company witness Steve Lubertozzi. However, given customer interest in this matter, ORS recommends that the customers be permitted to voice their concerns.

Sincerely,

Nanette S. Edwards
